The Tucson Society of the AIA invites you to join us for a rich program of talks this spring. We look forward to seeing everyone at our lectures and at the receptions following each talk. Please note that the location for the last three lectures is in the new Integrated Learning Center. This building is located just southeast of Modern Languages and North of the Main Library. If you need additional information about our program or AIA membership, please contact Mary Voyatzis at the above phone number or via email at MEV@u.arizona.edu. The Phoenix Chapter of the AIA is also offering a full and interesting program of lectures again this spring. For more information about their program, please contact Michael Pechacek (602-439-5948).

We would like to let you know about a wonderful opportunity to join a small, private cruise escorted by Professor Emeritus Norman Austin (Department of Classics, University of Arizona) in Turkey, May 12th-26th, 2002. You will visit historical sites in Istanbul, Troy, and Ephesus and cruise along the Turquoise coast. For more information, please contact Dean Dennis Evans at 520-621-3701 or Norman Austin at NormanA764@aol.com.
