The Tucson Society of the AIA invites you to join us for a zesty program of talks to spice up the autumn season! All AIA members, friends and guests are warmly welcome to attend the illustrated lectures and are urged to linger and enjoy the lively archaeological conversation and tasty nibbles at the receptions following each presentation. For those coming from off campus, the closest parking garage for the Harvill Building and Speech and Hearing (just east of Harvill) is the one on Second Street, between Mountain and Highland, located in close proximity to the Student Union. For updates on lectures, locations and AIA membership, please contact Alison Futrell at 520-626-8428 or via email at afutrell@u.arizona.edu. For more information about your local AIA, and photos of the Tucson Society's reconstructed ancient Greek kiln in action, visit our website at <http://aiatucson.arizona.edu/>. Many thanks to the AIA and the Departments of History and Classics for their sponsorship!
